We are asking for you to believe...

that you will feel better soon

that your left side will stop hurting

that this whole journey will get easier

that one day you won't be nauseous  
and that this was all worth it!

If you want to know that you are not alone; if you need a place to express yourself without fear of embarrassment.

We have created a safe haven just for you and it's just a click away - see what it's all about.

We are all in this together!
